IBUTING TO THE

ROBERT D. HARRIS

PRINCIPAL

To the faculty and student body, I would like to express my thanks for your cooperation and patience with me during this first year at Cleveland. This has been a good school year, and I look forward to better years in the future.

I have just a minute
with sixty seconds in it,
didn't seek it, didn't choose it,
but its up to me to use it;
must give an account
if I abuse it;
just a minute
but eternity is in it.
